TRANSFORM YOUR PEUGEOT/CITROËN RADIO INTO A GREAT NAVIGATION SOLUTION

ADD THE PIONEER
NAVIGATION
MODULE

TOUCHSCREEN MEDIA SYSTEM
WITH A PIONEER NAVIGATION MODULE

Get the most out of your Peugeot/Citroën Touchscreen Media System by hooking the Pioneer AVIC-F260PSA. The device keeps you up to date on the latest traffic info. The plug-and-play solution easily upgrades the compatible OEM units with navigation. The interface utilises the OEM touchscreen to give you access to detailed maps of 45 countries, as well as eight million points of interest. It also adds a reverse camera input to the head unit and offers voice guidance over the front speakers.
